## Overview

Works on issues related to adult services, including professional development, programming and collection management. Incorporates aspects of Collection Development and Reference ("CD&R"). Works closely with eBCCLS and recommends adult eBooks, eAudio and eMagazines ("eContent") for purchase.

## Charges for 2019:

1. Staff development and training focusing on collection development, reader's advisory, customer service, and other services to adult users. This may include developing training programs for key basic skills that are reproducible (with freedom to incorporate changes to account for new developments or personalities of presenters) for future committees or even reproducible at the library level.
2. Collection development: provide regular weeding and selection tips, including e-book recommendations and possibly streaming and other online options for members to consider.
3. Assist eBCCLS with the selection of adult eContent materials for the shared core collection.
4. Develop and maintain a repository of high-quality adult programs and vendors that libraries can draw on, including ideas for staff-led programs that allow libraries to develop cost-effective in-house programs.

Overview: Provides public-facing advocacy that supports increased awareness of library issues, including sustainability and public funding. Combines the previous Friends, Trustee Development, Government Relations and PR committees into a single committee that can better coordinate all aspects of outward-facing advocacy.

Charges for 2019:

1. Host Advocates Day in March 2019 to promote awareness of library issues to elected officials and other key stakeholders.
2. Work with NJLA to advocate for the restoration of full funding of per capita state aid.
3. Distribute timely, relevant information related to the Library Construction Bond Act. Prepare an informational program with best practices to submit a winning grant application.
4. Keep members informed of opportunities for advocacy on local and state levels.
5. Based on the response to Advocacy Day this year, consider planning a similar event for 2020.

Commitment Expected: Meets regularly throughout the year.

Who may join: Open to all trustees, directors and staff who are interested in outreach and advocacy to friends, trustees, elected officials and other stakeholders. Up to 12 members.
Overview: This is a standing committee established in Bylaws to recommend amendments to the Bylaws as needed and proceed with a full review of the Bylaws every two years.

Charges for 2019:

1. Conduct a comprehensive review of the Bylaws. Perform scrivener's corrections as necessary to ensure uniformity and consistency throughout the document.
2. Recommend changes as may be necessary based on changes to the status of LibraryLinkNJ and other statewide library network services.
3. Review and propose mechanisms that would ensure member libraries and contracting municipalities meet requirements established in Bylaws.

Commitment Expected: Meets as necessary.

Who may join: Open to directors. 6-8 members.

## Overview:
Oversees the implementation and culmination of the BCCLS Internal Delivery Service while being mindful of cost-containment vs. level of service.

## Charges for 2019:

1. In concert with the BCCLS staff and the Policies & Procedures Committee, establish procedures for delivery (packing, labeling, sorting, etc.). Develop procedures for responding to ILL requests from non-BCCLS libraries.
2. Host small group meetings with the representative from each library that is primarily in charge of delivery, to gain input for system design.
3. Monitor the delivery costs and how they align to those projected for a possible bill reduction in the fourth quarter.
4. Work with the finance committee to determine if equally billing delivery costs to all members, in 2020, is sustainable. Explore sources of external funding such as grants and corporate sponsorship to offset the cost to member libraries.
5. Where possible, respond to requests from non-BCCLS libraries/consortia regarding consultation services.
6. Monitor the state of JerseyCat and any potential implication to the BCCLS delivery service.

## Commitment Expected:
Will meet at least once every other week through June 30, 2019 to assist with the transition from development to implementation. Will meet monthly after June 30 to review effectiveness of the service and recommend enhancements.

## Who may join:
Current Task Force members preferred, for continuity, unless there is a vacancy. 10-12 members including BCCLS liaisons.
